Ex-Magistrate Crane Dead.
Former City Magistrate Leroy B. Crane died yesterday after a long illness in his home at Rehoboth Lake in the Adirondacks. He was sixty-seven years old. He leaves a widow and four daughters. Funeral services will be held at Rehoboth Lake. Burial will be in Kenosha Cemetery tomorrow afternoon.

Cocoon Oil Fine For Washing Hair

If you want to keep your hair in good condition, be careful what you wash it with.

Most soaps and prepared shampoos contain too much alkali. This dries the scalp, makes the hair brittle, and is very harmful. Just plain mulled coconut oil (which is pure and entirely greaseless) is much better than the most expensive soap or anything else you can use for shampooing, as this can't possibly injure the hair.

Simply moisten your hair with water and rub it in. One or two teaspoonfuls will make an abundance of rich, creamy lather, and cleanses the hair and scalp thoroughly. The lather rinses out easily, and removes every particle of dirt, dandruff and excessive oil. The hair dries quickly and evenly, and it leaves it fine and silky, bright, fluffy and easy to manage.

You can get mulled coconut oil at almost any drug store. It is very cheap, and a few ounces is enough to last everyone in the family for months—Adv.

"THE MEXICAN BORDER" IS TIMELY MELODRAMA AT LEXINGTON THEATRE.

"On the Mexican Border," a melodrama in four acts dealing with the present Mexican situation, won the applause of a large audience at the Lexington Theatre last night. The story of the piece runs like this:

John Swiftman, an educated Mexican Indian, who is an assistant surgeon at the Army Post at Douglas, Arizona, suspects the chief surgeon of inoculating a half-breed Mexican woman with the typhus germ in an endeavor to study the disease. A stage coach in which the chief surgeon is riding is attacked by Mexican bandits and the doctor barely escapes with his life, at the same time rescuing a beautiful girl who he afterward marries. The girl, who is addicted to drugs, mistakes the deadly typhus germs for morphine and injects them into herself. While attending his wife the surgeon contracts the fever, from which he dies. The wife recovers. Upon learning what has happened, Swiftman, disgusted with the white race, returns to his own people and learns that they are planning to attack the U. S. army post. Feeling that it is his duty to warn the people, he spreads the alarm, but in doing so loses his life. Then another hero enters the scene and saves the day. The piece has many thrills and there is no doubt of its melodramatic success.

Two Stars in "Hello New York" On for Summer Run at Columbia

Blackwell has 4,500 mash notes, which he hasn't had time to answer.

Several of the Triangle acting companies, now at Hollywood, Cal., will come East next month to work in this vicinity. Among the stars who will be transferred will be Douglas Fairbanks, who will act under the direction of John Emerson.

NEW KELLY, surrounded by the pick of burlesque, opened for a summer run at the Columbia Theatre yesterday with "Hello New York." The show has eighteen scenes and each scene is full of wonderful surprises in the line of scenic effects. This burlesque, unlike others, has a plot.

In the opening scene, Chatham Square, New York, a diamond necklace is stolen from a woman by a Chinaman, and in order to catch the thief Prof. Dope (Low Kelly) is called on the case. One scene, showing the New York Public Library, is a novelty to the burlesque stage. In it one of the male members of the company portrays President Wilson in such a life-like manner that the action last night was held up for five minutes due to the outburst of applause.

New Method of Reducing Fat

A news item from abroad informs us that the American method of producing a slim, trim figure is meeting with astonishing success. This system, which has made such a wonderful impression over there, must be the Marmola Prescription Tablet method of reducing fat. It is safe to say that we have nothing better for this purpose in this country. Anything that reduces the excess flesh two, three or four pounds a week, without injury to the stomach, the causing of wrinkles, the help of exercising or dieting, or interference with one's meals, is a mighty important and useful addition to civilization's necessities. Just such a catalogue of good results, however, is the use of these pleasant, harmless and economical little fat reducers. We say economical because Marmola Prescription Tablets (made in accordance with the famous prescription) can be obtained of any druggist or the makers, the Marmola Co., 864-878 Woodward Ave., Detroit, Mich., for seventy-five cents the large case, which is decidedly economical price considering the number of tablets each case contains. They are harmless.—Adv.

"The Tempters," in a two-act burlesque entitled "Married for a Day" and "A Day at the Circus" are the attraction holding down the boards at the Olympic Theatre on Fourteenth Street this week.

"THE TEMPTERS" LURE THE OLYMPIC PATRONS WITH FINE BURLESQUE.

Supporting Fields is a company of capable artists. Prominent among the players were Bertha Gibson, Ruth Everett, Fern Wayne, Frances Lockwood, George Betts, William Harris, George Harrington and Sidney Rogers.

EIGHT ACTS, ALL GIRLS, BIG FEMININE HIT AT PROCTOR'S 5TH AVENUE.

Girls! Girls! All girls! predominated at Proctor's Fifth Avenue Theatre, where Manager Quaid has arranged a first class feminine vaudeville bill of eight acts offered for the first half of this week. Among the featured is Blossom Seeley. She sang herself into favor last night. Another act that made a hit with the audience was "Childhood Days," presented by Catherine Hayes and Sabel Johnson.

Motion Picture Notes.

Ivy Close is said to be the most popular English screen star. Louise Lovely of the Universal ought to meet Arline Pretty, don't you think?

When House Peters was young he wanted to be a bandit, but his mother wouldn't let him.

About 250,000 miles of film is used annually in the manufacture of motion pictures.

Johnny Hines, who appeared in "The Cub," is back again in the World Film and will act in Broadway pictures.

Charley Chaplin's second film for Mutual release is "The Fireman." It will be ready to be shown June 12.

Mary Miller Minter and her mother have started West. Miss Minter is going to Santa Barbara to act for the Mutual.

"Flames of Vengeance" will be the second of the Gaumont's new three-reel features to be released. Gertrude Robinson plays the lead.

So far as is known, Violet Mercereau hasn't as yet proposed to Roy Fernandez, who won the "Handsome Man" contest. She should get some heavy overhauls and warm those toolies, say we.

Through the efforts of J. A. Best, Vice President and General Manager of Pathe, Louis Tracy, the English novelist, has been persuaded to write film scenarios. "The Grip of Evil," a serial for Pathe, will be his first.

Carlyle Blackwell, who is working in "A Woman's Way," hasn't had a day's rest in eleven weeks. He has stepped from one picture right into another. And now comes the sad part! His press agent swears Mr.

Blackwell has 4,500 mash notes, which he hasn't had time to answer.

IT WAS DONE.
"Ray," said a voice over the telephone at the McAlpin, "will you send a boy to Thirty-fourth Street and Broadway and page Mr. Harry Robertson and tell him I can't be there! Thanks."

Dr. Shaw Loses Damage Suit.
Dr. Anna H. Shaw, suffrage leader, who sued the Lehigh Valley Railroad, the Central Railroad of New Jersey and the Pullman Company for \$25,000 because of injuries she received while alighting from a Lehigh Valley train in Jersey City, lost her case before Justice Greenbaum and a jury in the Supreme Court yesterday.

Progressive Business Houses Encourage Telephone Etiquette

How We May Have Good Telephone Service

- 1 By answering the telephone promptly and pleasantly
- 2 By speaking directly into the transmitter
- 3 By announcing first the Bureau, then the person speaking, as "Bureau, Mr. Smith speaking"
- 4 By calling for the number, not the name, on outside connections
- 5 By holding the line and being ready to speak at once, on all connections
- 6 By feeling responsible for a neighbor's telephone; when necessary answering—"Bureau, Mr. Smith's telephone, Mr. Jones speaking"

The New York Edison Company
Customer and Inspection Department

Card given to all employees by
The New York Edison Company

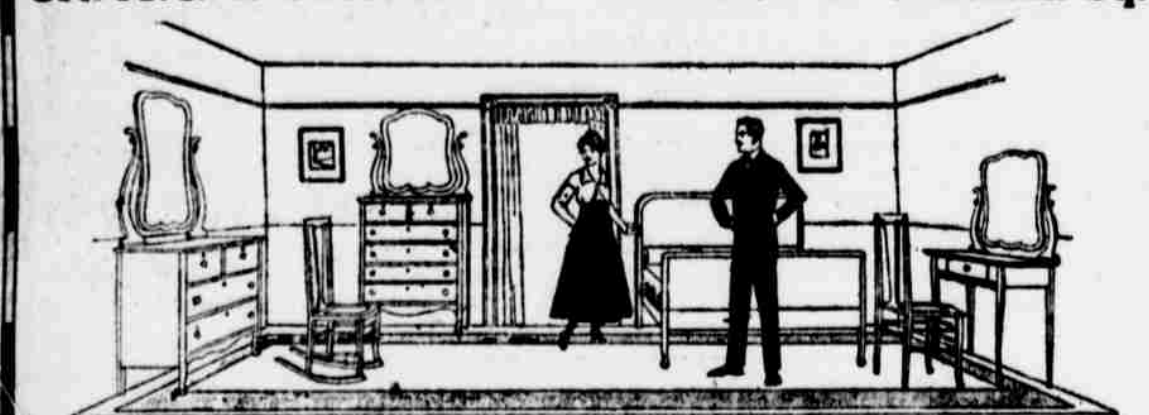

The Edison Company is one of many progressive concerns interested in the promotion of correct telephone habits.

Would not a telephone courtesy card, modified to apply to your business and sent to every employee, help to develop the ability of your organization in handling telephone calls?

Thousands Praise MAYR'S Remedy for the Stomach

Enormous Army of Stomach Sufferers Led to Health by Its Use

Stomach trouble causes a multitude of ailments, and often results in Gall stones, yellow jaundice, indigestion, Chronic Indigestion, Appendicitis, Constipation, Auto-Intoxication, Gas Pressure, Fear of Heart Disease, Ulcers of the Stomach and Intestines, etc., etc. One dose of Mayr's Wonderful Remedy has proven successful in thousands of cases of Stomach Trouble. This explains its enormous sale. Has been taken and is recommended by Physicians, Justices of the Supreme Court, Congressmen, Lawyers, Nurses, Ministers, Farmers, Educators, Mechanics—probably your own neighbors. Many owe their lives to Mayr's Wonderful Remedy. Thousands say it has saved them from the knife. Contains no alcohol or habit-forming drugs. FREE booklet on Stomach Ailments. Address Geo. H. Mayr, Mfg. Chemist, Chicago. Better yet—order a bottle of Mayr's Wonderful Remedy from Riker-Hegeman or any reliable druggist, who will refund your money if it fails.—Adv.

BETTER THAN CALOMEL

Thousands Have Discovered Dr. Edwards' Olive Tablets Are a Harmless Substitute

Dr. Edwards' Olive Tablets—the substitute for calomel—have a mild and laxative effect on the liver is almost instantaneous. They are the result of Dr. Edwards' determination not to treat liver and bowel complaints with calomel, his efforts to banish it brought out these little olive-colored tablets.

These pleasant little tablets do the good that calomel does, but have no bad after effects. They don't injure the teeth like strong liquids or calomel. They take hold of the trouble and quickly correct it. Why cure the liver at the expense of the teeth? Calomel sometimes plays havoc with the gums. So do strong liquids.

It is best not to take calomel, but to let Dr. Edwards' Olive Tablets take its place. Most headaches, "dullness" and that nagging feeling come from constipation and a sluggish liver. Take Dr. Edwards' Olive Tablets when you feel "loggy" and "heavy." Note how they "clear" clouded vision and how they "perk up" the spirits. At 10c and 25c per box. All druggists.

The Olive Tablet Company, Columbus, O.—Adv.

If we took away all foods but one

Suppose—just suppose—that man were forced to live on one food.

What would that food be? Wheat! Without a doubt.

For wheat holds within itself all the elements needed for man's sustenance.

Proteids—the tissue builders. Carbohydrates—the energy builders. Minerals—the bone-builders. All in wheat. All in "FORCE," a whole wheat food. And there in well balanced proportions.

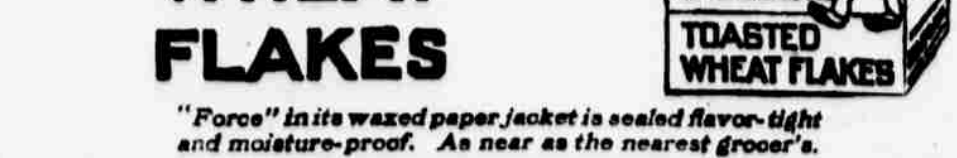

Oh! But it's good! My! But it is good for you!

Have "FORCE" tomorrow morning, because we ask you to.

All other mornings you'll have it for pure joy of its delightful whole wheat flavor.

"FORCE" TOASTED WHEAT FLAKES

"Force" in its waxed paper jacket is sealed flavor-tight and moisture-proof. As near as the nearest grocer's.
